Would you like to host a Norwegian Student?

St. David's High School, Dalkeith has arranged a partnership with Amalie Skram Secondary School in Bergen, Norway. As part of the partnership a group of eight to ten pupils will spend the 2017 - 2018 school session at St. David's High School. They will follow an S6 timetable and will be presented for the SQA exams in May 2018.

Details The students will arrive on 19th August 2017 and return to Norway at the end of May or start of June 2018.

The students return home to Bergen for two weeks at Christmas and two weeks at Easter. The Norwegian students pay for their accommodation and food but host families must have a spare bedroom with a bed, a desk, a chair and internet access.

You may host one or two students if you have the space to do so.

If you live in the school catchment area the pupils will be provided with a bus pass to travel to school however if you don't you will need to provide transport for the student.

If you are interested or wish to find out additional information (you would have to undergo Disclosure Scotland PVG checks) can you please email me by Friday 24th March?
