" While we are fasting for Lent, One in nine people will go to bed hungry tonight. Dire conditions for the world's poorest people are being made worse by climate change, which is hitting them first, and hardest. Like Abraham who was forced on a long journey by famine, people must sometimes move to look for ways to make a living. Yet people question the right of migrants to seek better lives for themselves and their families. " Cafod

40 cans for Lent. This week Food Bank donations from our parish was 66kg, many thanks to all who donate. Food Bank demand is still on the increase due to a 5-week delay in universal credit payments, zero hour contracts and some employers paying less than the minimum wage.
