Many thanks for your continued support.**

Food banks of course should not be necessary and in many ways are unacceptable in a country as wealthy as the UK. Every family should have enough to income to cover the basics: no adult should have to miss a meal in order to feed the kids and no one should have to go to bed hungry.

Old Gates - New Use in memory of

Willie Vidler

The old church gates have been put to new use; now between the church and the hall. I was conscious that the area formed a sort of 'dark alley' and had one or two anxious comments about this from people coming out of the hall after functions. Responding to this, last year got new lighting installed. This year the old gates have been restored and now form a fence between church and hall. Thus, finally closing off a dark and slightly intimidating space. It also means that they are preserved as part of the church's 'patrimony'. This has been achieved through a generous donation in memory of Willie Vidler: our hall keeper and property person over many years. I will offer Holy Mass for Willie next Saturday night. Fr Basil.

Fr Benedict left us on Tuesday and got back to Uganda on Wednesday afternoon. He travelled with an old friend from Motherwell who kindly gave over half of her luggage allowance in order to let Fr Ben take the presents you gave him home. By Thursday he was happily back in his home village touring his garden and inspecting the Well! There is a card from him thanking you all pinned up in the porch.

Farewell Social Thankyou also to all who helped make last Saturday nights going away social a great success. Fr Ben was very happy that so many had turned out to say goodbye and enjoyed his haggis neaps and tatties
