St. Clement, represented by an anchor, was converted to the Christian faith by St. Paul and became the Bishop of Rome, Pope Clement I. Around 100AD he was martyred by being bound to an anchor and cast into the sea. He is the Patron Saint of Dundee, boatmen; marble workers; mariners; sailors; sick children and stone cutters. Though I still cannot find out why he is associated with Wallyford. Fr B

The Ministry of Welcome
Sunday 15th December 4.00pm

Welcoming people to church, helping them settle and ensuring their safety is a ministry of real importance. We want to move away for the notion of 'keeping the pass' to Welcoming. It's a ministry for everyone who wants to see our community grow. Interested? Speak to Raymond or any of our parish welcome team.

Children's Liturgy – Paula, Georgina and helpers

This is an opportunity for your child to experience this part of Mass and a level closer to their stage of development and understanding. I would encourage every child to attend and parents to support the group by occasionally accompanying your child, especially at the start of your child's involvement. Fr B
