**Divine Renovation**

*From a Maintenance to a Missional parish*

We are a missionary Church. Instead of simply maintaining their buildings and meeting the needs of their parishioners, parishes are called to go further and embrace their mission, which is to make disciples. *Divine Renovation* offers a blueprint for doing just that. Rooted in Church teaching and filled with proven practical ideas, it provides inspiration and guidance for pastors and parishes alike. It's time to start making disciples. The future of the Church depends on it.
