

Our Lady of Loretto & St Michael, Musselburgh and St Martin's Tranent

THIRTY FIRST SUNDAY IN ORDINARY TIME

(Year B)

THE GLORIA

Glory to God in the highest,
and on earth peace to people of good will.

We praise you,
we bless you,
we adore you,
we glorify you,
we give you thanks for your great glory,
Lord God, heavenly King,
O God, almighty Father.

Lord Jesus Christ, Only Begotten Son,
Lord God, Lamb of God, Son of the Father,
you take away the sins of the world,
have mercy on us;
you take away the sins of the world,
receive our prayer;
you are seated at the right hand of the Father,
have mercy on us.

For you alone are the Holy One,
you alone are the Lord,
you alone are the Most High,
Jesus Christ,
with the Holy Spirit,
In the glory of God the Father.
Amen.

FIRST READING A reading from the book of Deuteronomy (6:2-6)

Moses said to the people: 'If you fear the Lord your God all the days of your life and if you keep all his laws and commandments which I lay on you, you will have a long life, you and your son and your grandson. Listen then, you will have a long life, you and your son and your grandson. Listen then, Israel, keep and observe what will make you prosper and give you great increase, as the Lord God of your fathers has promised you, giving you a land where milk and honey flow.'

'Listen, Israel: The Lord our God is the one Lord. You shall love the Lord your God with all your heart, with all your soul, with all your strength. Let these words I urge on you today be written on your heart.'

The word of the Lord.

RESPONSORIAL PSALM (Ps 17:2-4,47,51. R. v.2)

R. I love you, Lord, my strength.

I love you, Lord, my strength,
my rock, my fortress, my saviour.
My God is the rock where I take refuge;
my shield, my mighty help, my stronghold.

Scripture readings from the Jerusalem Bible are published and copyright©1966, 1967 and 1968 by Darton, Longman & Todd, Ltd and Doubleday, a division of Random House, Inc. Text of the Psalms: Copyright © 1963, The Grail (England)

The Lord is worthy of all praise:
when I call I am saved from my foes. **R.**

Long life to the Lord, my rock!
Praised be the God who saves me.
He has given great victories to his king
and shown his love for his anointed. **R.**

SECOND READING A reading from the letter to the Hebrews (7:23-28)

There used to be a great number of priests under the former covenant, because death put an end to each one of them, but this one, Christ, because he remains for ever, can never lose his priesthood. It follows, then, that his power to save is utterly certain, since he is living for ever to intercede for all who come to God through him.

To suit us, the ideal high priest would have to be holy, innocent and uncontaminated, beyond the influence of sinners, and raised up above the heavens; one who would not need to offer sacrifices every day, as the other high priests do for their own sins and then for those of the people, because he has done this once and for all by offering himself. The Law appoints high priests who are men subject to weakness; but the promise on oath, which came after the Law, appointed the Son who is made perfect for ever. **The word of the Lord.**

Alleluia, alleluia! Your words are spirit, Lord, and they are life: you have the message of eternal life. Alleluia!

GOSPEL A reading from the holy Gospel according to Mark

One of the scribes came up to Jesus and put a question to him, 'Which is the first of all the commandments?' Jesus replied, 'This is the first: Listen, Israel, the Lord our God is the one Lord, and you must love the Lord your God with all your heart, with all your soul, with all your mind and with all your strength.

The second is this: You must love your neighbour as yourself. There is no commandment greater than these.' The scribe said to him, 'Well spoken, Master; what you

have said is true: that he is one and there is no other. To love with all your heart, with all your understanding and strength, and to love your neighbour as yourself, this is far more important than any holocaust or sacrifice.' Jesus, seeing how wisely he had spoken said, 'You are not far from the kingdom of God.' And after that no one dared to question him anymore. **The Gospel of the Lord.**

The Nicene Creed

**I believe in one God,
the Father almighty,
maker of heaven and earth,
of all things visible and invisible.**

**I believe in one Lord Jesus Christ,
the Only Begotten Son of God,
born of the Father before all ages.
God from God, Light from Light,
true God from true God,
begotten, not made,
consubstantial with the Father;
through him all things were made.
For us and for our salvation
he came down from heaven,
and by the Holy Spirit (all bow until man)
was incarnate of the Virgin Mary,
and became man.**

**For our sake he was crucified under Pontius Pilate,
he suffered death and was buried,
and rose again on the third day
in accordance with the Scriptures.
He ascended into heaven
and is seated at the right hand of the Father.
He will come again in glory
to judge the living and the dead
and his kingdom will have no end.**

**I believe in the Holy Spirit, the Lord, the giver of life,
who proceeds from the Father and the Son,
who with the Father and the Son is adored and
glorified, who has spoken through the prophets.**

**I believe in one, holy, catholic and apostolic Church.
I confess one baptism for the forgiveness of sins
and I look forward to the resurrection of the dead
and the life of the world to come. Amen.**

Climate Change a simple guide part one

World temperatures are rising because of human activity, and climate change now threatens every aspect of human life.

Left unchecked, humans and nature will experience catastrophic warming, with worsening droughts, greater sea level rise and mass extinction of species. We face a huge challenge, but there are potential solutions.

What is climate change?

Climate is the average weather in a place over many years. Climate change is a shift in those average conditions.

The rapid climate change we are now seeing is caused by humans using oil, gas and coal for their homes, factories and transport.

When these fossil fuels burn, they release greenhouse gases - mostly carbon dioxide (CO₂). These gases trap the Sun's heat and cause the planet's temperature to rise.

The world is now about 1.2C warmer than it was in the 19th Century - and **the amount of CO₂ in the atmosphere has risen by 50%.**

The world is getting warmer

Annual mean land and ocean temperature above or below average, 1850 to 2020

Note: Average calculated from 1951 to 1980 data

BBC

Temperature rises must slow down if we want to avoid the worst consequences of climate change, scientists say. They say global warming needs to be **kept to 1.5C by 2100.**

However, unless further action is taken, **the planet could still warm by more than 2C** by the end of this century.

If nothing is done, **scientists think global warming could exceed 4C**, leading to devastating heatwaves, millions losing their homes to rising sea levels and irreversible loss of plant and animal species.
