The Parish House in Tranent

At the St Martin's Pastoral Council there was unanimous agreement that the Parish House in Tranent should be made available for this purpose. Works need to be carried out to make the living space independent of the Parish Office and then the rest of the house fully furnished etc. This process has now begun. I am sure that parishioners from both parish communities will offer support as it is needed. There are a number of issues, such as safeguarding, trauma support, insurance etc that need to be ironed out but with good will this is not impossible. Fr Basil

Lent Groups on Zoom
